**CONFIRMATION OF TELEPHONE INTERVIEW**

This communication is put of record because we have not received written confirmation from the Examiner.

On December 7, 2004 the Examiner returned a telephone call from the undersigned, indicating that he would withdraw the requirement for restriction mailed December 1, 2004 and issue an action on all five claims of this application.

Patent application, Serial No. 10/601,469

Attorney Docket No. 51449-00401

Having heard nothing from the Examiner, counsel called on December 20, 2004 and the Examiner again indicated that he would be withdrawing the requirement for restriction and rendering an action on all five claims, and that applicant's attorney should not worry since no action by applicant's attorney would be necessary.

This paper is simply put of record so that we don't have a problem with respect to the fact that the Official Action mailed 12/01/2004 has been withdrawn and that action in this case by the Patent and Trademark Office will be forthcoming at some future date.

Respectfully submitted,

Date:

27 Dec 04
